Summer Library Reading Program will begin on June 16 and end on August 15.

Children and teens are invited to participate in the **Neillsville Public Library's Summer Reading Program.** "Imagine Your Story!" is the 2020 Summer Reading Program theme. Due to the Covid19 virus, the summer reading program will be very different this year with no performers or craft days. There will be craft projects you can pick up and make at home.

We want to make it fun and exciting.

Research has shown that children must read during the summer to maintain their reading level.

The 2020 Summer Reading program is for the following age groups:

Age 4-6 where parents, grandparents or caregiver reads 25 picture books to their child.

Age 7-9 children read 20 books

Age 10-12 children read 15 books

Teen reading will be from July 6 to August 15

13-19 teens read 4 books

If you read more books you might get an extra prize.

Starting June 16 to June 30 please call the Neillsville Public Library 715-743-2558 to arrange a time to pick up a reading log and to register for the Summer Reading Program.

This year we will be trying something new!

You will be able to register on the Beanstack App:
