**National Library Week is April 4-10<sup>th</sup>,** a time to highlight the essential role libraries, librarians and library workers play in transforming lives and strengthening communities.

The theme for this year's National Library Week is **“Welcome to your library,”** which promotes the idea that libraries extend far beyond the four walls of a building and that everyone is welcome to use their services. Whether people visit virtually or in person, libraries are accessible and inclusive places that foster a sense of belonging and community through learning, discovery, and exploration. We have a display at the front door with all our books with the word “Library” in the title.

**There are two prize drawings:**

**“I Love my Library because.....” and “Guess how many books are in our Library”!**

**These drawings for prizes will be held on April 12<sup>th</sup>!** Please come in and check out some books and help us celebrate!

Also, National Library Workers Day is April 6<sup>th</sup>! Thank you to our awesome Librarians and our custodian who works at our library each day: **Janay, Kathy, Leanne, Karen, Barb, and Patrick!**
