3D Printer Program

On Friday, October 15th, at 1:00 pm come to the Neillsville Public Library to learn from Daryl, our local presenter, about our 3D Printing capabilities!!

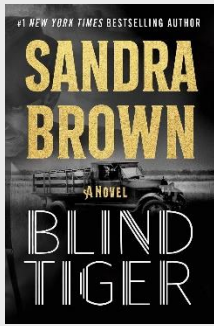

We look forward to watching the printer in action and learn about the process of downloading and preparing a 3D print file. We will also learn some of the basics of the 3D application, and a brief discussion of the original development of the 3D printer.

You will be able to schedule a time later individually or in a small group to have help with preparing and printing your own project.

Please sign-up in the middle school office before Monday, October 11th, or at the library to attend the class!

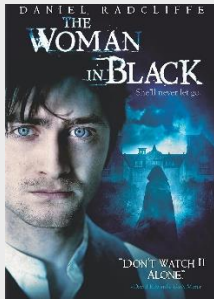

Teen Movie Night

Kathy's Favorite

Friday night October 29th--Movie Night co-sponsored by CART Center and Recreation Department! Teens can come out and enjoy the hot cocoa bar sponsored by CART Center and then come to the Library for The Movie "Cruella". Watch our website and social media for more details in October!
