Story Book Trail

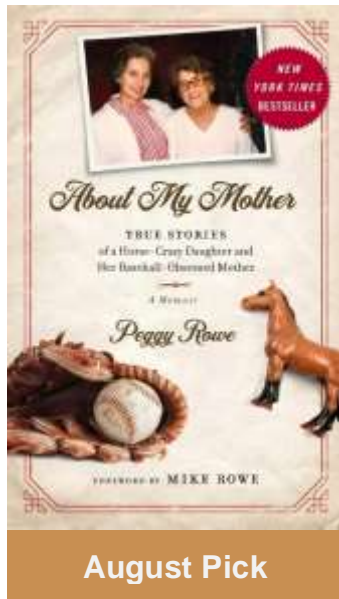

Neillsville Public Library is excited to announce that coming later this summer, they will unveil their new **Storybook Trail** being installed in Schuster Park along the walking path!! There is no cost to walk the trail, and it is open to the public during regular park hours. New books will be installed seasonally.

The Neillsville Storybook Trail project was funded thanks to a generous donation from the Cummins Filtration Community Development Grant Funds.

Neillsville Public Library will introduce the new Storybook Trail to local families with a special ribbon cutting event planned for Friday, August 25th at Schuster Park from 1:00- 3:00 p.m.

Guided book walks, crafts, giveaways, and treats will highlight this family event as children of all ages experience the fun of reading while walking along the beautiful park path.
