## Storybook Trail

Janay's Favorite

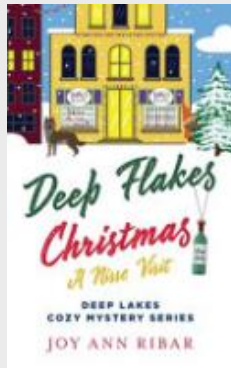

Neillsville Public Library has exciting news about our recently installed storybook trail! There is a new book “Hiders Seekers Finders Keepers” by Jessica Kulekjian for the winter season and our entrance archway at the start of the trail has also been put up! Please take time with your extra family and friends to walk the trail, and see the new archway, and read the new story!! Thanks to Joe Kranz with Kranzations Metal Design & more for the beautifully created Grand Ave replica archway! “The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT, and developed in collaboration with the Kellogg-Hubbard Library” with a mission to promote early literacy, physical activity, and family time together in nature, according to the Kellogg-Hubbard Library’s website. StoryWalks® can be found in all 50 states and all over the world including Germany, Canada, England, Bermuda, Pakistan, and South Korea. And there are some right here in southeast Wisconsin.”
