2026 Summer Reading Program

Get ready to dig into summer fun!

This year's theme invites young explorers to dig, discover, and unearth amazing stories—just like real archaeologists and paleontologists!

The 2026 Summer Reading Program, "Unearth a Story,"

is open to readers **4 to 12 years of age.**

Pre-readers are invited to join the program with a parent or other helper who will read to them.

The Summer Program encourages reading for pleasure in a non-academic setting. Summer reading can help children maintain valuable reading skills during the vacation period.

The children will have from

June 3 to August 8, 2026,

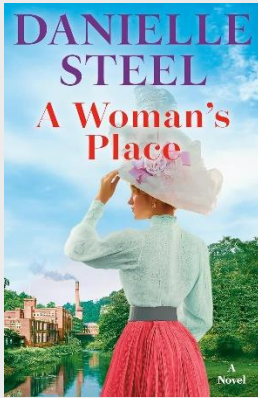

to complete their summer reading goal.

Note: All programs will be on Wednesday. Programs with performers are open to the community.

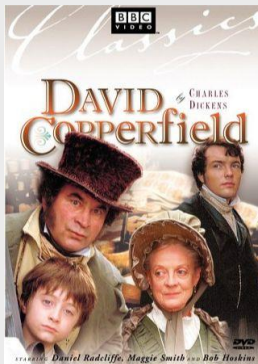

Call the Neillsville Public Library at [715-743-2558](tel:715-743-2558) if you need more information,

have questions, or if you are a person needing special accommodations to attend or participate in these activities.

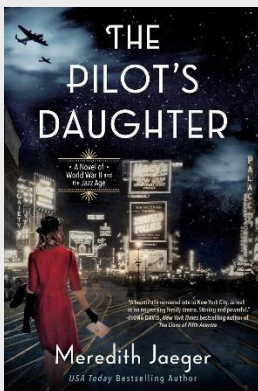

Children may hand in their reading records starting August 1 until August 8.
